

PRICE LIST Effective from 1 March 2014

VESSEL CHARGES

EUR

Charge levied on each one hundred (100) units of net tonnage for cargo vessels visiting port:	39,40
Minimum charge per ship:	230,00

The charge levied on a tugboat-barge combination as defined in Paragraph 2 of Section 29.1 of the Finnish Pilotage Decree will be determined according to the aggregate net tonnage of the combination in question.

VESSEL MOORING AND UNMOORING CHARGES

Vessel mooring and unmooring charges will be determined according to the net tonnage of the vessel in question as follows:

Net tonnage

1-1000	101,00
1001-2000	128,50
2001-3000	160,00
3001-5000	193,00
5001-7500	266,00
over 7500	362,00

Separate charges will be collected for mooring and unmooring.

Vessels that do not make an advance unmooring announcement or that are unmoored more than half an hour from the declared time will be subject to an additional charge of: 142,00

However, this additional charge will not be collected if the ship's master or representative revises the announced unmooring time at least one-and-a-half hours in advance.

To the price for mooring and unmooring between 00.00-06.00 will be added 20% for the night work.
